

## Manta Rays Spring Term Home Learning Menu

Dear Parents

Once again thank you for your response to last term's homework tasks. I was thrilled with the quality and variety of work that was received from the children. Here is the home learning for the Spring term. As before, the children can choose which task they would like to do each in any order (except for the Oracy task which will need to be ready for the week beginning the 23<sup>rd</sup> February). The children are expected to hand work in every **fortnight**. The home learning will be celebrated in class and items will be displayed in class. Additional mental arithmetic books are also available if you wish your child to have these.

The home learning list can be found on the classroom door and on our website.

We appreciate your support with these tasks and if you have any questions please come in and see us or email the office.

Diolch

Mrs Coghlin

Home Learning is due on: 19/01, 02/03, 23/03, 09/03, 23/06.

### **Home Learning Choice Menu – The Power of Gower**

<b>Oracy</b> Can you create a 5 minute presentation to present to the class about a famous Welsh person. How you choose to present is entirely up to you. <u>This will need to be ready by the 23<sup>rd</sup> Feb</u>	<b>Topic</b> Write an information leaflet persuading people to visit a town or city in Wales.
<b>Creative</b> Can you take a photo of a place in the Gower that you think captures the beauty of the Gower.	<b>Literacy</b> Complete the comprehension about Skomer Island, an island in Wales. A copy can be obtained from school or is on the Google classroom.
<b>Numeracy</b> Please complete the Wales problem sheet of your choice. A copy can be obtained from school or is on the Google classroom.	<b>Creative</b> Can you chose a photo or place within the Gower and sketch it. This may be a beach, a building or an exciting feature or landscape you find or see.

Please don't forget there is **ALWAYS** weekly spellings and tables tests and reading should be done as often as possible. Abacus maths and TT Rockstars are great 'at home' resources to help your child with in class maths.
