

ECO CODE

Everyone looks after our planet.

Carbon footprint reducers.

We think about our choices.

Only use what we need.

We save energy and resources.

Energy saving.

We switch off lights and save energy.

Always care for animals and plants.

We respect and protect all living things.

Reduce, re-use, re-cycle.

We reduce waste, reuse items and recycle materials.

Together we can make a difference.

Teamwork creates big change.

Help us save our planet.

Every action counts!
