Progression Step 2

Autumn 2026

Who do you think you are?

Why Am I Learning This?

We are learning about family and identity because it is a big part of our everyday lives and our Hendrefoilan community.

We are learning about the people, places and stories that help make us who we are. We will celebrate what makes each person special, understand that families can be different, and explore our sense of belonging to our school and community. By listening to others and sharing our own experiences, we can learn to respect different identities, cultures and traditions.

Key Questions

- What makes us the same / different?
- What makes me special and unique?
- What / who is important in my life?
- What kinds of families do we come from - multigenerational, blended, mixed, number of people?
- How do families do things differently - cultures, traditions, celebrations?
- How do families and communities in our area share and celebrate with food?
- How can we use numbers, words and digital tools to understand our similarities and differences?
- We are all part of the same community, but are our families from different places in the world?
- How can we show respect for everyone's identity?

Learning Journey

Humanities: Explore family stories both past and present, our local area, and what makes our school and community special.
Skills: We will use photographs, objects and simple sources to ask questions about the past and make connections to the present.

Science & Technology: To recognise that living things, including people, can be described by their visible features and that people are similar in some ways and different in others.
Skills: Questioning, observation, explore, record, present.

Health & Well-being: Explore identity, belonging, relationships, feelings and the ways in which we can care for and respect ourselves and others.
Skills: Decision-making, collaboration, developing healthy friendships and routines.

Literacy including Welsh, Numeracy & DCF

Literacy Text Type: Recount, Pie Corbett and Instruction writing.
Literacy Book Focus: Families, Families, Families / Elmer's special day / Same but different too!
Welsh: Names and introductions, family names, likes / dislikes, simple questions and answers.
Numeracy: Number, sorting and comparing, data handling, simple graphs.
Cross-curricular: Class identity survey, family timelines, data collection and simple graphs.
DCF: Creating multimedia components using text, audio and images.

Learn, have fun and reach for the stars!
